Dear Shareholder

Radius Care Dividend Reinvestment Plan

The Board of Directors of Radius Residential Care Limited has approved the establishment of a dividend reinvestment plan (Plan) which offers you the opportunity to reinvest dividends payable on existing shares by the issue of additional new shares.¹

This provides an easy and convenient way to increase your investment in Radius Care without paying brokerage fees.

Participation in the Plan is optional, and you can decide whether to reinvest all, part or none of your cash dividends in additional shares. If you decide not to participate, you do not need to do anything, and you will continue to receive all future dividends as cash. If you change your mind regarding participation, you can elect to join the Plan at any time.

Please read the Dividend Reinvestment Plan Offer Document at <https://radiuscare.co.nz/investor-centre/>. It explains how the plan works and has been prepared as at November 2022.

To participate in the Plan please visit www.investorcentre.com/nz to update your reinvestment options in the “My Profile” page. Alternatively you may complete the accompanying Participation Form and scan to drp@computershare.co.nz.

If you have any queries on the Dividend Reinvestment Plan please contact Computershare by replying to this email or by calling 09 488 8777.

Thank you for your continued support.
