Once you have your voting card, tell us how you want to vote

You may need to use the scroll bar on the right side of the voting card to see all resolutions.

Choose either **Full Vote** or **Partial Vote** using the tabs. Click on either the **For**, **Against**, or **Abstain** voting buttons. For a **Partial Vote**, enter a number of votes—the total number of votes you have are shown.

The screenshot shows a web-based voting interface. At the top, a dark blue header bar contains the name "JOHN SAMPLE" on the left and a masked ID "I*****0014" with a close button (X) on the right. Below the header, the main content area is titled "Voting Card". Underneath the title is a paragraph of instructions: "Please complete your vote by selecting the required voting instruction (For, Against, Abstain or No Instruction) for each resolution. If you would like to complete a partial vote, please specify the number of votes for each resolution in the Partial Vote section. Proxy holder votes will only be applied to discretionary (undirected) votes. Directed votes will be applied as per the shareholder's voting instructions." Below the instructions are two tabs: "Full Vote" (highlighted in blue) and "Partial Vote". Under the "Partial Vote" tab, there is a section for "Resolution 1". This section contains three buttons: "For" (with a checkmark icon), "Against" (with an X icon), and "Abstain" (with a minus icon). Below these buttons, it says "You have 1 votes left". Below the resolution section, there is a box labeled "GENERAL BUSINESS". At the bottom of the interface is a large dark grey button labeled "SUBMIT PARTIAL VOTE".

Submit your vote

Make sure you submit your vote before the countdown timer ends

Once you have finished voting, scroll down to the bottom of the box and click on the ***Submit Vote*** or ***Submit Partial Vote*** button.

You can close your voting card without submitting your vote while voting is open. Any votes you have already made are saved. The voting card will be under the webcast with a ***Not yet submitted*** message below.

You can edit your votes while voting is open by clicking on ***Edit Card***. This will re-open the voting card with any previous votes made.

At the end of the meeting, a red bar with a five-minute countdown timer will appear at the top of the website advising the remaining time to submit your voting cards. Once voting has been closed, your vote can't be changed.

If you have not registered a voting card, you will be asked to enter your CSN/Holder Number or proxy number before you can ask a question.
